### Membership

Well a new year is upon us; hope everybody had a great Christmas and a safe new years eve. Our membership has grown over the past couple of years but not as much as we would like. In 2009 our goal is to double our membership. The more our membership increases the more things we can do like expand our hours hire a bartender, donate more to the community and who knows maybe look for a bigger building, so if you know some one who might be interested in being a member of the Aerie or Auxiliary have them come up and check out the club or if they don't have time to come up to the club have them check out our new web site hosted by Bill Morgan at [www. Wam usa.com](http://www.Wamusa.com) and click on Fraternal Order of the Eagles on that site you will find the latest news letter, and lots of pictures of everything going on at the club.

### Thanks
