### **2014 Eagles Building Fund Sponsorship**

Although we have made tremendous improvements on the building since its purchase in 2007, there are lots of things that we would like to do to make it more comfortable and enjoyable for you and your family to use for years to come.

Some of the improvements that we are looking at completing in 2014 are, the painting of the ceiling since the roof no longer leaks, we would like to see more hardwood on the floor and do away with some carpet, we would like to purchase a large screen TV for the back of the social quarters, and possibly eventually some what of a small kitchen., and of coarse the purchase and installation of the central air to go with the new furnace.

Much like the improvements around your house this all takes money!

That's why we have developed the 2014 Eagles Building fund Sponsorship, the way this will work is there will be a large plaque erected in the clubs social quarters, and as donations are accepted your name will be added to the plaque.

The donation of \$100.00 or more will earn you a gold sponsorship, \$50.00 to \$99.00 will get you silver, \$25.00 to \$49.00 will get you a bronze and a donation of \$10.00 to \$24.00 will get your name on the wall as a membership donor.

I am very proud to say that we already have four gold sponsorships, Bob Corrado, Bill Kinney, Kevin Talley, and Jeff Trost, this is an awesome contribution to the club and it is greatly appreciated, THANKS!
